Past President-TwoFingersDown-Coby
Past President-CRKAT-Ray

Meeting called to order at 12:18 pm by Jordan (he apologized for being a little late...)

Round robin introductions, and what you want to accomplish this year...

Talk about MOGA being in Norfolk was interesting...it will be in Norfolk in 2027! More discussion will be had on that in the coming months.

Committee meetings for 2026:
Plan for meetings for the year... Would like to do monthly meetings to keep the ball rolling... Jordan will put out a survey to see what day/time would work for everyone.

Nebraskache Branding revamp:
Put out a call to the group for design submissions...
Lynn mentioned a company that would have a "store" and we would get a kickback from sales. More on that later.
We would need to keep the pathtag back design in mind.
Bylaws...do they define the logo? Would we need membership vote?

Motion for Jordan to put a post about putting a call for new design submissions before June 1st. Committee will choose the top 4 and put to the membership to vote on.

Ray motioned, LA seconded, unanimous votes cast
Motion carried

Banner revamp...following new logo design, new banner(s) will be made, but to a more "standard" size due to costs.

Review/Rewrite of Bylaws:

Last rewrite was 2015. LA has some notes from 2021-22 she provided to Jordan. A committee will be formed to take on the rewrite task.

Motion to have changes to be available before the 2026 picnic in September made by Ray, seconded by Cheryl, vote...all in favor, motion carried.

Coby offered to head up the group to do rewrites. He will get others to help.

Executive Committee positions? Do we need any changes? Public Relations is usually done by the President-Elect or past presidents. Tech Support person needed? If we're supporting our own website someone is needed on the committee that knows how to maintain it.

New officer terms?

Any changes to officer terms will be decided by the rewrite committee.

Membership:

Jordan has done some housecleaning and confirmed/deleted some.

In Memorium:

Possibly have a running list on the website of geocachers that have passed away?

Janice motioned, Ray seconded, vote was unanimous, motion carried.

Jordan will create a location on the website for this, and post something once it's ready.

2026 Picnic:

Date: September 12, 2026

Move back to smaller shelter this year.

Trying to find a location to have the pancake feed on Sunday to allow it to be an event.

CRKAT will go and check out the site(s) and get prices for the Historical Park shelter as well.

Jordan will talk to BBM&J to confirm pancakes on Sunday.

Lynn is doing ice cream event at Culver's again on Friday evening.

Activities for afternoon? Maybe some type of Treasures challenge?
Thndrstrk had some ideas at the last meeting. Lively discussion was had, will need to be figured out the logistics of it all. Coby and Lynn will dive into the planning for this game. Having monthly meetings going forward will keep things on track.

Treasurer's Report was given, balance is \$2,474.81.

Next meeting will be scheduled following the availability poll.

Motion to adjourn by Ray, and seconded by Coby

Meeting adjourned at 2:07 pm
